Itinerary

Day 1 Embarkation in Vancouver Your Alaska journey starts early this afternoon at the Vancouver cruise terminal where you board the ms Volendam. (Dinner is included today)

Day 2 Scenic Cruising the Inside Passage The fabled Inside Passage is one of the most scenic sea-lanes in the world, and one of the few where deep-draft vessels can sail close to steep mountain walls. The scenery is unbelievable, with forests in a hundred shades of green, tumbling turquoise glaciers, and evocative towns loaded with history, culture and adventure. (Breakfast, lunch & dinner are included today)

Day 3 Port of Call Juneau No roads lead to Juneau, which gives the Alaskan capital a misty inscrutability. You need to come by air or water, but when you arrive, the place will delight you with its bounty of water, forests, and mountains. Squeezed between the Gastineau Channel and Coast Mountains, Juneau offers a lot of variety in close proximity. The massive Mendenhall Glacier and the immense Juneau Icefields are at its back door. The vast Tongass National Forest stretches away to the northeast. You can shop downtown or get out and kayak, dogsled, raft, hike, whale watch, flightsee or fish. The adventures are as bountiful as the daylight. (Breakfast, lunch & dinner are included today)

Day 4 Port of Call Skagway Some of the aspiring Klondike gold rushers who made it to Skagway took a look at the 500-mile journey that still lay ahead of them and decided a change of profession was in order. So many of them set up shop as provisioners that Skagway was the largest city in Alaska by the end of the 19th century. Booms fade and dreams move on, but the glory days still reverberate through the town. Ride the antique White Pass & Yukon narrow-gauge railway, step into the Red Onion Saloon or peruse the restored buildings and wooden boardwalks of the Klondike Gold Rush National Historical Park. (Breakfast, lunch & dinner are included today)

Day 5 Cruise Glacier Bay A cruise to Glacier Bay National Park with Holland America Line will show you a UNESCO World Heritage Site that protects a unique ecosystem of plants and animals living in concert with an ever-changing glacial landscape. When a monumental chunk of ice splits off a glacier and thunders into the sea the impact shoots water hundreds of feet into the air. You hold your breath as you catch the moment on film. Then you wait for it all to happen again. And it does: Glacier Bay has more actively calving tidewater glaciers than any place else in the world. (Breakfast, lunch & dinner are included today)

Day 6 Port of Call Ketchikan Ketchikan clutches the shores of the Tongass Narrows, with many shops and houses built right out over the water. The stairways are weathered and the vibe is cheerful in the town that calls itself the Salmon Capital of the World. (Breakfast, lunch & dinner are included today)

Day 7 Scenic Cruising the Inside Passage Enjoy sailing through the fjords of the Inside Passage. (Breakfast, lunch & dinner are included today)

Day 8 Disembarkation in Vancouver After breakfast you will disembark the ms Volendam in Vancouver and take a transfer (included) to your hotel. Balance of day is at leisure. Canada's third-largest metropolitan centre, Vancouver is a busy port city with a thriving multi-cultural ambience (Breakfast is included today)

Day 9 Grouse Mountain & Capilano Suspension Bridge Tour Enjoy a six-hour sightseeing tour of Vancouver's magnificent North Shore. Travel across the Lions Gate Bridge and into the mountains to visit the original Vancouver tourist attraction – Capilano Suspension Bridge. Spend time exploring our temperate rainforest and learn all about Salmon at the Fish Hatchery. Your tour coach continues its climb up Grouse Mountain where you'll take the Skyride to the Peak of Vancouver with breathtaking views over the Lower Mainland and Coast Mountain Range. After time well spent in Vancouver's back yard, your guide will drive you back to downtown and your hotel.

Day 10 Vancouver to Jasper (Rail) This evening check-in at Pacific Central Station and board VIA Rail's 'Canadian' for the famous train journey to the majestic Canadian Rockies. Travel back in time to the days of classic rail travel. The original stainless steel 'streamliner' railcars (made famous by the 'Canadian' in the 1950s) are totally refurbished with air conditioning, a café car, lounge car, and access to the dome car.

Exclusive to Sleeper Touring Class: In the evening attendants transform your quarters into cozy bunks or a bedroom. Visit the Dome Car where you will experience the true essence of travelling by train as a panoramic scene sweeps by. In Sleeper Touring Class some of the amenities include thick towels, plump pillows, cozy down duvets and a shower kit.

Day 11 Arrive Jasper (Rail) This morning, the 'Canadian' begins its passage into the Canadian Rockies. Enjoy views of snow-capped peaks, Pyramid Falls and the expansive glaciers of the Albretha Icefields. Pass by Mount Robson, which at 3954 metres is the highest peak in the Canadian Rockies. Arrive in Jasper shortly after noon and transfer to your hotel. The balance of the afternoon is yours to explore this unique mountain community. (Breakfast & lunch is included today)

Day 12 Jasper to Lake Louise (Coach) - Ice Explorer Ride & Glacier Skywalk Travel by coach today via one of the most scenic highways in North America - the Icefields Parkway. Visit the Columbia Icefield that covers an area of nearly 125 sq mi (325 sq km) and reaches a depth of 1050 ft (320 m). Time allows for an Ice Explorer ride (included) on the Athabasca Glacier, then a stop at the award-winning Glacier Skywalk (included) to experience a glass-floored observation platform 918 ft (280 m) over spectacular glacier-formed valleys and rushing waterfalls. After, continue along the Icefield Parkway where stops will be made at Bow & Peyto Lakes, the Crowfoot Glacier and the Athabasca Falls. This highway is renowned for sightings of bears, elk, moose & mountain sheep, so keep your camera handy. Please note: mountain lakes in this region will be frozen through to mid-June. (Picnic lunch included today)

Day 13 Lake Louise to Banff (Coach) Depart Lake Louise mid-morning for a short drive via the scenic Bow Valley to Banff, arriving mid-day.

Day 14 Discover Banff Tour with Gondola This morning, tour the town of Banff and its environs. Among the highlights are visits to the Hoodoos (shaped by centuries of wind) & Bow Valley Viewpoint, Surprise Corner, Bow Falls, Lake Minnewanka and Bankhead: an abandoned mining town and the relic of Banff's industrial past. At the end of the tour you will be taken to the Banff Gondola for a breathtaking ascent to the pinnacle of Sulphur Mountain for an awe-inspiring 360-degree panorama of sheer mountain majesty. Return to downtown Banff at your leisure. (Transfer not included)

Day 15 Banff to Kamloops (Rail) All aboard Rocky Mountaineer for the scenic rail journey to Kamloops in the interior of British Columbia. As the train crosses over the continental divide you pass through the spiral tunnels in Yoho National Park, a remarkable engineering achievement. Continue on through the Rogers Pass in Glacier National Park with endless views of snow capped mountains and stunning glaciers. Pass by Craigellachie, where the last spike was driven completing the Canadian Pacific Railway Trans Canada link in 1885. (Breakfast & lunch is included today)

Day 16 Kamloops to Vancouver (Rail) Re-board the Rocky Mountaineer Train and follow the Thompson River through Ashcroft - one of Canada's driest towns (with an average rainfall of just 18 centimetres). Pass through Rainbow Canyon with its cliffs striped with pinks, greens and greys creating a stunning effect. Continue on to the Fraser Canyon where at Hell's Gate you will observe a water torrent past the canyon walls at its narrowest point. The last leg of the journey takes you through the lush farming region of the Fraser Valley to arrive in the Pacific port of Vancouver late afternoon. (Breakfast & lunch is included today)
