Follow the Thompson River through spectacular landscapes to historic Kamloops. (Breakfast & lunch is included today)

Day 2 Kamloops to Banff (Rocky Mountaineer) Departing Kamloops, follow the South Thompson River to Shuswap Lake with its thousand miles of shoreline. Pass Craigellachie where the 'last spike' was driven, completing the Canadian Pacific Railway in 1885. Enter Rogers Pass with its tunnels, snow-sheds and glistening Glaciers. The Kicking Horse River leads you to Kicking Horse Pass, the Spiral Tunnels, then over the Continental Divide to Banff and Banff National Park. (Breakfast & lunch is included today)

Day 3 Morning tour of Banff with gondola ride This morning, tour the town of Banff and its environs. Among the highlights are visits to the Hoodoos (shaped by centuries of wind) & Bow Valley Viewpoint, Surprise Corner, Bow Falls, Lake Minnewanka and Bankhead: an abandoned mining town and the relic of Banff's industrial past. At the end of the tour you will be taken to the Banff Gondola for a breathtaking ascent to the pinnacle of Sulphur Mountain for an awe-inspiring 360-degree panorama of sheer mountain majesty. Return to downtown Banff at your leisure (transfer not included).

Day 4 Banff to Jasper with Ice Explorer ride Travel by coach today via one of the most scenic highways in North America - the Icefields Parkway. Visit the Columbia Icefield that covers an area of nearly 125 sq mi (325 sq km) and reaches a depth of 1050 ft (320 m). Time allows for an Ice Explorer ride (included) on the Athabasca Glacier, then a stop at the award-winning Glacier Skywalk (included) experiencing a glass-floored observation platform 918 ft (280 m) over spectacular glacier-formed valleys and rushing waterfalls. Photo stops along the Parkway will be made at Lake Louise, Bow & Peyto Lakes, the Crowfoot Glacier and the Athabasca Falls. This highway is renowned for sightings of bears, elk, moose & mountain sheep, so keep your camera handy. (Picnic lunch included today) Please note: mountain lakes in this region will be frozen through to mid-June.

Day 5 Jasper to Vancouver (VIA Rail) Spend the morning relaxing in the mountain town of Jasper before boarding VIA Rail Sleeper Touring Class to Vancouver. Leaving Jasper National Park, travel the 'Yellowhead' route past the sprawling grandeur of Mount Robson, then follow the mighty Thompson River all the way to the Fraser Valley and the coastal city of Vancouver. Canada's third-largest metropolitan centre, Vancouver is a busy port city with a thriving multi-cultural ambience. The city is located in a spectacular setting with the Coast Mountains across Burrard Inlet to the north, and the waters of the Strait of Georgia to the west. Restaurants, shopping, nightlife, a mild climate and a cosmopolitan atmosphere make Vancouver a favourite tourist destination. (Breakfast is included today)

Day 7 Embarkation in Vancouver This morning is yours to enjoy the sights of Vancouver before being transferred to the Vancouver Cruise terminal to board your ship. (Dinner is included today)

Day 8 Scenic Cruising the Inside Passage The fabled Inside Passage is one of the most scenic sea-lanes in the world, and one of the few where deep-draft vessels can sail close to steep mountain walls. The scenery is unbelievable, with forests in a hundred shades of green, tumbling turquoise glaciers, and evocative towns loaded with history, culture and adventure. (Breakfast, lunch & dinner are included today)

Day 9 Port of Call Ketchikan Ketchikan clutches the shores of the Tongass Narrows, with many shops and houses built right out over the water. The stairways are weathered and the vibe is cheerful in the town that calls itself the Salmon Capital of the World. Besides the main attractions - Creek Street, the Tongass Historical Museum, Totem Bight State Park and Saxman Village - try a flightseeing trip to Misty Fjords National Monument. These deep-water fjords were gouged out by retreating glaciers, leaving granite cliffs towering thousands of feet above the sea and countless waterfalls plunging into placid waters. (Breakfast, lunch & dinner are included today)

Day 10 Port of Call Juneau No roads lead to Juneau, which gives the Alaskan capital a misty inscrutability. You need to come by air or water, but when you arrive, the place will delight you with its bounty of water, forests, and mountains. Squeezed between the Gastineau Channel and Coast Mountains, Juneau offers a lot of variety in close proximity. The massive Mendenhall Glacier and the immense Juneau Icefields are at its back door. The vast Tongass National Forest stretches away to the northeast. You can shop downtown or get out and kayak, dogsled, raft, hike, whale watch, flightsee or fish. The adventures are as bountiful as the daylight. (Breakfast, lunch & dinner are included today)

Day 11 Port of Call Skagway Some of the aspiring Klondike gold rushers who made it to Skagway took a look at the 500-mile journey that still lay ahead of them and decided a change of profession was in order. So many of them set up shop as provisioners that Skagway was the largest city in Alaska by the end of the 19th century. Booms fade and dreams move on, but the glory days still reverberate through the town. Ride the antique White Pass & Yukon narrow-gauge railway, step into the Red Onion Saloon or peruse the restored buildings and wooden boardwalks of the Klondike Gold Rush National Historical Park. (Breakfast, lunch & dinner are included today)

Day 12 Cruise Glacier Bay A cruise to Glacier Bay National Park with Holland America Line will show you a UNESCO World Heritage Site that protects a unique ecosystem of plants and animals living in concert with an ever-changing glacial landscape. When a monumental chunk of ice splits off a glacier and thunders into the sea the impact shoots water hundreds of feet into the air. You hold your breath as you catch the moment on film. Then you wait for it all to happen again. And it does: Glacier Bay has more actively calving tidewater glaciers than any place else in the world. (Breakfast, lunch & dinner are included today)

Day 13 Day at Sea Enjoy the facilities of the ship while sailing North to Alaska. (Breakfast, lunch & dinner are included today)

Day 14 Seward to Anchorage (Scheduled Coach) After breakfast you will disembark the ship and begin your coach adventure to a spectacular vantage point at Exit Glacier. A short and easy walk provides an up-close and personal view of a magnificent glacier. Then tour north towards Anchorage; you will have the opportunity to enjoy spectacular scenery through Moose Pass and Turnagain Pass. This area is resplendent with alpine scenery and hanging glaciers. Next, visit the Alaska Wildlife Conservation Centre which provides care and rehabilitation for injured and orphaned wildlife. Here you can safely get close, observe, and photograph some of Alaska's largest land animals including: moose, bison, elk, deer, caribou, bears, muskox, small mammals, and birds of prey. After lunch, get ready for the aerial tram ride up the longest double black diamond ski slope in North America. From the top, you can view several glaciers and the northern-most temperate rainforest; continue on to Anchorage to arrive late afternoon. (Breakfast &

lunch is included today)

Day 15 Anchorage to Denali Backcountry Lodge (Coach) This morning, board a motorcoach to the Denali National Park Entrance. Your driver will give you some history of the area as you travel the George Parks Highway. Weather permitting, you can admire the marvelous views of Mt McKinley (Denali) - the tallest mountain in North America. You will arrive at the Denali Cabins in time for a lunch break before connecting to the private lodge bus. The 148km/92mi, 6-hour journey to Kantishna along the restricted Park Road is called one of the grandest drives on earth- with chances to see Grizzlies, moose, caribou and Golden eagles along the way. The end of the road is Kantishna and the Denali Backcountry Lodge, your home for the night. (Dinner is included today)

Day 16 Denali Backcountry Lodge - Kantishna Nestled in a snug valley, the Denali Backcountry Lodge is a true wilderness experience, with your own heated cabin. The lodge is located at the end of the restricted 148km/92mi Park Road with just a small bush airstrip and the vast interior of Alaska beyond. You can experience activities such as: day hikes (casual, moderate, or extreme), view and photograph Denali (Mount McKinley), gold panning, botany walks, shuttle to Wonder Lake and mountain biking.
