At the end of the tour you will be taken to the Banff Gondola for a breathtaking ascent to the pinnacle of Sulphur Mountain for an awe-inspiring 360-degree panorama of sheer mountain majesty. Return to downtown Banff at your leisure (transfer not included).

**Day 3 Banff to Lake Louise (Coach)** Depart Banff early afternoon for a short drive via the scenic Bow Valley to Lake Louise.

**Day 4 Lake Louise to Jasper (Coach) - Ice Explorer Ride & Glacier Skywalk** Travel by coach today via one of the most scenic highways in North America - the Icefields Parkway. Visit the Columbia Icefield that covers an area of nearly 125 sq mi (325 sq km) and reaches a depth of 1050 ft (320 m). Time allows for an Ice Explorer ride (included) on the Athabasca Glacier, then a stop at the award-winning Glacier Skywalk (included) experiencing a glass-floored observation platform 918 ft (280 m) over spectacular glacier-formed valleys and rushing waterfalls. Photo stops along the Parkway will be made at Bow & Peyto Lakes, the Crowfoot Glacier and the Athabasca Falls. This highway is renowned for sightings of bears, elk, moose & mountain sheep, so keep your camera handy. Please note: mountain lakes in this region will be frozen through to mid-June. (picnic lunch included today)

**Day 5 Wildlife Discovery Tour in Jasper** Today is free to explore Jasper before departing this evening to experience the environs of Jasper, and for some amazing close-up photo opportunities of wildlife.

**Day 6 Jasper to Kamloops (Rail)** All aboard Rocky Mountaineer for a scenic rail journey to Kamloops in the interior of British Columbia. Leaving Jasper National Park, travel the 'Yellowhead' route past the sprawling grandeur of Mount Robson 'the highest peak in the Canadian Rockies' and follow the mighty Thompson River, the route of early fur traders, before arriving in Kamloops. (Breakfast & lunch is included today)

**Day 7 Kamloops to Vancouver (Rail)** Leaving Kamloops, follow the Thompson River through Ashcroft, one of Canada's driest towns, with an average rainfall of just 18 centimetres. Pass through Rainbow Canyon, named for its cliffs striped with pinks, greens and greys creating a stunning rainbow effect. Continue on to the Fraser Canyon, where at Hell's Gate watch water torrent past the canyon walls at its narrowest point. The last leg of the journey takes you through the fertile farming region of the Fraser Valley to arrive in the Pacific port of Vancouver late afternoon. Upon arrival into Vancouver you will be transferred to your hotel. (Breakfast & lunch is included today)

**Day 8 Grouse Mountain & Capilano Suspension Bridge Tour** Enjoy a six-hour sightseeing tour of Vancouver's magnificent North Shore. Travel across the Lions Gate Bridge and into the mountains to visit the original Vancouver tourist attraction - Capilano Suspension Bridge. Spend time exploring our temperate rainforest and learn all about Salmon at the Fish Hatchery. Your tour coach continues its climb up Grouse Mountain where you'll take the Skyride to the Peak of Vancouver with breathtaking views over the Lower Mainland and Coast Mountain Range. After time well spent in Vancouver's back yard, your guide will drive you back to downtown and

your hotel.

**Day 9 Embarkation in Vancouver** This morning is yours to enjoy the sights of Vancouver before being transferred to the Vancouver Cruise terminal to board your ship. (Dinner is included today)

**Day 10 Scenic Cruising the Inside Passage** The fabled Inside Passage is one of the most scenic sea-lanes in the world, and one of the few where deep-draft vessels can sail close to steep mountain walls. The scenery is unbelievable, with forests in a hundred shades of green, tumbling turquoise glaciers, and evocative towns loaded with history, culture and adventure. (Breakfast, lunch & dinner are included today)

**Day 11 Port of Call Ketchikan** Ketchikan clutches the shores of the Tongass Narrows, with many shops and houses built right out over the water. The stairways are weathered and the vibe is cheerful in the town that calls itself the Salmon Capital of the World. Besides the main attractions - Creek Street, the Tongass Historical Museum, Totem Bight State Park and Saxman Village - try a flightseeing trip to Misty Fjords National Monument. These deep-water fjords were gouged out by retreating glaciers, leaving granite cliffs towering thousands of feet above the sea and countless waterfalls plunging into placid waters. (Breakfast, lunch & dinner are included today)

**Day 12 Port of Call Juneau** No roads lead to Juneau, which gives the Alaskan capital a misty inscrutability. You need to come by air or water, but when you arrive, the place will delight you with its bounty of water, forests, and mountains. Squeezed between the Gastineau Channel and Coast Mountains, Juneau offers a lot of variety in close proximity. The massive Mendenhall Glacier and the immense Juneau Icefields are at its back door. The vast Tongass National Forest stretches away to the northeast. You can shop downtown or get out and kayak, dogsled, raft, hike, whale watch, flightsee or fish. The adventures are as bountiful as the daylight. (Breakfast, lunch & dinner are included today)

**Day 13 Port of Call Skagway** Some of the aspiring Klondike gold rushers who made it to Skagway took a look at the 500-mile journey that still lay ahead of them and decided a change of profession was in order. So many of them set up shop as provisioners that Skagway was the largest city in Alaska by the end of the 19th century. Booms fade and dreams move on, but the glory days still reverberate through the town. Ride the antique White Pass & Yukon narrow-gauge railway, step into the Red Onion Saloon or peruse the restored buildings and wooden boardwalks of the Klondike Gold Rush National Historical Park. (Breakfast, lunch & dinner are included today)

**Day 14 Cruise Glacier Bay** A cruise to Glacier Bay National Park with Holland America Line will show you a UNESCO World Heritage Site that protects a unique ecosystem of plants and animals living in concert with an ever-changing glacial landscape. When a monumental chunk of ice splits off a glacier and thunders into the sea the impact shoots water hundreds of feet into the air. You hold your breath as you catch the moment on film. Then you wait for it all to happen again. And it does: Glacier Bay has more actively calving tidewater glaciers than any place else in the world. (Breakfast, lunch & dinner are included today)

Here you can safely get close, observe, and photograph some of Alaska's largest land animals including: moose, bison, elk, deer, caribou, bears, muskox, small mammals, and birds of prey. You will arrive at the Denali Cabins in time for a lunch break before connecting to the private lodge bus. The 148km/92mi, 6-hour journey to Kantishna along the restricted Park Road is called one of the grandest drives on earth- with chances to see Grizzlies, moose, caribou and Golden eagles along the way. The end of the road is Kantishna and the Denali Backcountry Lodge, your home for the night. (Dinner is included today)
