Day 1 Sitka - Embarkation  Explore beautiful Sitka, the only community in Southeast Alaska that faces the open ocean waters of the Gulf of Alaska. Visit fascinating historical sites that highlight the community’s rich Alaska Native and Russian history. Embark for the winding narrows north of town while spotting for bald eagles, sea otters, bears, whales, and other wildlife.

Day 2 True Alaska Wilderness Exploration  Savor the serenity of raw wilderness on an unscheduled day of Southeast Alaska discovery. The options are countless, dictated by the day’s unique circumstances. Opportunities may include a coastline kayak paddle, upclose whale encounters, or a hike through an alluring old-growth forest. We may do a beach landing on an unspoiled shoreline to explore a tidal flat or track along with a foraging bear from the safety of our DIB (shallow water expedition craft). Regardless of the activity, you’ll experience the magic of the archipelago’s many remote coves, bays, and inlets.

Day 3 Glacier Bay National Park  This remarkable national park fjord extends 65-miles, contains eight tidewater glaciers, and provides pristine habitat for a wide-array of wildlife, including both brown and black bears, wolves, mountain goats, Steller sea lions, and humpback whales. The highlight for many is the Margerie Glacier, known for its dramatic calving displays. A Glacier Bay National Park Service Ranger narrates the day’s program and a Native Huna Tlingit interpretive naturalist joins us to reveal traditional cultural ties to this ancient treasure.

Day 4 Juneau/Orca Point Lodge  Spend the day visiting highlights of the scenic capitol city of Juneau, including the world famous Mendenhall Glacier. In downtown Juneau, you may choose to visit the Juneau-Douglas City Museum, Alaska State Capitol, or take in the spectacular panoramic views of the Mount Roberts Tram. You can also delve deeper into local Native culture and history by exploring fascinating exhibits, art displays, and a clan house at the Walter Soboleff Center. End the day’s adventure with a relaxing evening at Orca Point Lodge, our own exclusive day-lodge on Colt Island. Enjoy the beautiful grounds, beach, and marine life touch-tank. Dine on Alaskan salmon, Alaskan king crab, or prime rib from the warmth of the lodge, or nestled next to a beachside bonfire.

Day 5 Tracy Arm-Fjord’s Terror Wilderness  Journey through Tracy or Endicott Arm in the Tracy Arm-Fjord’s Terror Wilderness, a place the famous naturalist, John Muir, referred to as, “A wild, unfinished Yosemite.” Renowned for its pristine waterfalls, towering icebergs, abundant harbor seals, and granite cliffs that rise from sea level to 4,000 feet, this wilderness is often referred to by locals as one of the most scenic areas in the state.

Day 6 Frederick Sound  Scout for humpback whales and other marine mammals in Frederick Sound. Humpbacks are famous for behavior that lends itself to incredible viewing and photography, such as tail lobbing, lunge feeding, pectoral slapping, breaching, and picturesque dives that showcase their massive flukes.

Day 7 Wrangell  Home to a little over 2,000 permanent residents, Wrangell is the only town in Alaska to have been under the jurisdiction of three flags, and ruled by four nations- the Tlingit, Russia, England, and the United States. Enjoy several options to explore this colorful history, including a guided walking tour and a trip to the Wrangell Museum. Visit the intriguing State Historic Park, Petroglyph Beach, which contains the highest concentration of petroglyphs in Southeast Alaska.

Day 8 Thorne Bay/Kasaan  Experience the frontier spirit of Alaska’s timber years on a tour of Thorne Bay, once the largest logging camp in the world. This tight-knit community is located on the eastern side of Prince of Wales, an island renowned for its high concentration of black bears. Here, you’ll meet resident artisans and enjoy a walking tour of the town while keeping an eye out for the island’s fauna. In Kasaan, walk an enchanted forest path laden with intricately carved totem poles to the Chief Son-i-Hat Whale House, the only remaining traditional Haida longhouse in the United States. Inside stand four original house posts, or “Gáats,” that were most likely carved at Old Kasaan in about 1880.

Day 9 Metlakatla/Misty Fjords  Immerse yourself in the extraordinary history, art, and cultural traditions of the Metlakatla Indian Community on Annette Island. Visit a traditional Tsimshian longhouse, enjoy a ceremonial dance performance, and meet Native artists. Later, your ship will glide beneath the 3,000-foot glacier-sculpted cliffs of Misty Fjords. Discover the fiord’s natural history, listen to the calls of a myriad of seabirds, feel the mist from glistening waterfalls, and see famous New Eddystone Rock, a stunning volcanic core.

Day 10 Ketchikan - Disembarkation  Disembark in Ketchikan, otherwise known as Alaska’s “First City” and “Salmon Capital of the World.” Transfer to the airport or your hotel is complimentary.
