The hotel is located within walking distance of all attractions, restaurants, banks and stores. After your arrival, there is time for an information meeting, the registration for optional tours, the fitting of winter clothing, for shopping and dinner on your own. This evening depart for your first Aurora viewing. A cozy, heated cabin or wall tent with hot drinks and snacks makes your Aurora viewing even more enjoyable. Return to hotel around 3am.

Day 2 Full Day Sightseeing Today we'll show you the capital of the Yukon and the surroundings to give you a first impression: During a city tour you'll see the old train station of the White Pass & Yukon Route railroad, the Log Skyscraper, old Log Church and the paddle wheeler SS Klondike. We'll also show you some residential areas and stop at the Visitors Reception Centre. On the way to the Takhini Hot Springs we stop at the Wildlife Preserve where you'll see most of the wildlife seen in the Yukon, such as moose, caribou, bison, dall sheep, big horn sheep, musk oxen and others. At the Takhini Hot Springs we have time for a leisurely swim in the hot waters. After dinner we'll pick you up at 10pm for your guided northern lights viewing tour. At around 3am we take you back to your hotel.

Day 3 Full Day Snowmobiling Your snowmobiling adventure awaits you today. Our van will take you up to Fish Lake, just over half an hour away from the hotel. Here you'll get your instructions about snowmobile safety and any further instructions you'll need and off you are across the lake and into some of the most beautiful mountains you can imagine! Lunch will be served on the trail and by late afternoon you'll return to Whitehorse. At 9.30pm we take you out to your third night of Aurora viewing.
