Day 3 Vancouver to Jasper (Rail) Today is free time to explore Vancouver; this evening we have included a private transfer to Pacific Central Station to board VIA Rail's 'Canadian' for the famous train journey to the majestic Canadian Rockies. Travel back in time to the days of classic rail travel. The original stainless steel 'streamliner' railcars (made famous by the 'Canadian' in the 1950) are totally refurbished with air conditioning, a café car, lounge car, and access for all on board to the dome car.

Exclusive to Sleeper Touring Class: In the evening attendants transform your quarters into a bedroom. Visit the Dome car where you will experience the true essence of travelling by train as a panoramic scene sweeps by. In Sleeper Touring Class some of the amenities include thick towels, plump pillows, cozy down duvets and a shower kit.

Day 4 Canadian Rockies by daylight onboard Via Rail arrive Jasper late afternoon (Rail) By the time you awake this morning the train will have just departed Kamloops to begin a day of travelling towards the Canadian Rockies and Jasper. Enjoy breakfast (included) while surrounded by dramatic scenery as you follow the banks of the North Thompson River through the Monashee and Cariboo Mountains. Around lunch time the 'Canadian' begins its passage into the Canadian Rockies with views of snow-capped peaks, Pyramid Falls and the expansive glaciers of the Albreda Icefields. Pass by Mount Robson, which at 3954 metres is the highest peak in the Canadian Rockies. Arrive in Jasper at approximately 4.00pm and transfer to your hotel. The balance of the afternoon is yours to explore this unique mountain community. (breakfast & lunch included today onboard Via Rail)

Day 5 Jasper - Evening wildlife tour (Private SUV driver guided vehicle) Today is free to explore Jasper before departing this evening to experience the environs of Jasper and for some amazing close-up photo opportunities of wildlife.

Day 6 Jasper to Moraine Lake (Private SUV driver guided vehicle) Travel by luxury SUV today via one of the most scenic highways in North America - the Icefields Parkway. Visit the Columbia Icefield that covers an area of nearly 125 sq mi (325 sq km) and reaches a depth of 1050 ft (320 m). Time allows for an Ice Explorer ride (included) on the Athabasca Glacier, then a stop at the award-winning Glacier Skywalk (included) to experience a glass-floored observation platform 918 ft (280 m) over spectacular glacier-formed valleys and rushing waterfalls. After, continue along the Icefield Parkway where stops will be made at Bow & Peyto Lakes, the Crowfoot Glacier and the Athabasca Falls. This highway is renowned for sightings of bears, elk, moose & mountain sheep, so keep your camera handy. Please note: mountain lakes in this region will be frozen through to mid-June.
