This afternoon, check in at Pacific Central Station and board VIA Rail's 'Canadian' for the famous train journey to the majestic Canadian Rockies. Step back in time to the days of classic rail travel, riding in the original stainless steel 'streamliner' railcars made famous by the 'Canadian' in the 1950s. Each has been restored with air conditioning, a café car, lounge car, and access to the dome car.

Exclusive to Sleeper Touring Class: By day, sit back in comfortable seating and enjoy the exclusive comfort of your own accommodation. Come evening, attendants will transform your quarters into cozy bunks or a bedroom. Don't forget to visit the Dome Car - the true essence of travelling by train is all in the panoramic views. Day 6 Jasper to Moraine Lake (Private SUV driver guided vehicle) Travel by luxury SUV today via one of the most scenic highways in North America - the Icefields Parkway. Visit the Columbia Icefield that covers an area of nearly 125 sq mi (325 sq km) and reaches a depth of 1050 ft (320 m). Time allows for an Ice Explorer ride (included) on the Athabasca Glacier, then a stop at the award-winning Glacier Skywalk (included) to experience a glass-floored observation platform 918 ft (280 m) over spectacular glacier-formed valleys and rushing waterfalls. After, continue along the Icefield Parkway where stops will be made at Bow & Peyto Lakes, the Crowfoot Glacier and the Athabasca Falls. This highway is renowned for sightings of bears, elk, moose & mountain sheep, so keep your camera handy. Please note: mountain lakes in this region will be frozen through to mid-June.

Day 7 Moraine Lake to Banff (Private SUV driver guided vehicle) Depart Moraine Lake for a ½ day tour along the scenic Bow Valley to Banff. Tour through the town of Banff and its environs. Among the highlights are visits to the Hoodoos (shaped by centuries of wind), Surprise Corner, Sulphur Mountain and Tunnel Mountain Drive - which overlooks the splendour of Bow Valley. Enjoy the afternoon on your own to explore this charming resort.

Day 8 Banff to Kamloops (Rail) All aboard Rocky Mountaineer for the scenic rail journey to Kamloops in the interior of British Columbia. As the train crosses over the continental divide you pass through the spiral tunnels in Yoho National Park, a remarkable engineering achievement. A stop will be made later in the day at Craigellachie, where the last spike was driven completing the Canadian Pacific Railway Trans Canada link in 1885. (breakfast & lunch is included today onboard Rocky Mountaineer)

Day 9 Kamloops to Vancouver (Rail) Re-board the Rocky Mountaineer Train and follow the Thompson River through Ashcroft - one of Canada's driest towns (with an average rainfall of just 18 centimetres). Pass through Rainbow Canyon with its cliffs striped with pinks, greens and greys creating a stunning effect. Continue on to the Fraser Canyon where at Hells Gate you will observe a water torrent past the canyon walls at its narrowest point. The last leg of the journey takes you through the lush farming region of the Fraser Valley to arrive in the pacific port of Vancouver late afternoon. We have included a private transfer to your hotel this evening. (breakfast & lunch is included today onboard Rocky Mountaineer)
