- Drumheller & The Badlands Tour
- Admission to the Royal Tyrell Museum of Paleontology
- Travel documentation package

Not Included:

- Transfers from/to Calgary Airport
- Activities, other than specified
- Meals, other than specified

Itinerary

Day 1 Arrive Calgary Arrive in Calgary and spend the rest of the day exploring Calgary on your own. Set dramatically between prairies and peaks, Calgary is a chic urban landscape surrounded by incomparable natural grandeur. It's a place where you can relish the great outdoors by day and world class cuisine and entertainment by night. A place buzzing with innovative energy while embracing its rich western heritage.

Day 2 Drumheller and the Badlands Tour Meet your guide and board your coach near Calgary Tower for your day trip to the Canadian Badlands of Alberta. Departing from Calgary east into the endless golden prairies, the fertile land suddenly drops away into a strange and stark moonscape of weird striped hills and otherworldly rock formations – The Badlands. View the impressive Horseshoe Canyon and learn about the geology, history, and native plants and animals at the Interpretive Centre.

Next, head to the town of Drumheller, the Dinosaur Capital of the World, and visit the Royal Tyrrell Museum - home of 130,000 fossils of over 300 different species and one of the best dinosaur museums in the world. You will explore the fascinating exhibits, watch a raptor skeleton being assembled, meet the scientists that interpret the past and learn what happens behind the scenes to collected fossils. You can also take the optional Dinosite Tour, a 3 km guided walk to search for fossils, see dinosaur bones in the ground and learn about ancient Alberta. Leaving Drumheller, take a stroll across the Rosedale Suspension Bridge and stop to view the Hoodoos, unique geological formations that resemble sandstone giants. Return to Calgary late afternoon.

Day 3 Depart Calgary Your tour package ends upon checkout of your Calgary hotel.
